The Price List highlights the Articles by Product Codes. The quotations will provide the prices at Mq. in € uro and will refer to the Standard setting described. The increasing will be applied to different set ups. The Invoicing will be at the Linear Meter for Reels (trimmed and not) and at single Piece for Rolls and Sheets. Delivery Terms, Minimum Invoicing value and Payment Terms will be, as for the quotations, personalized for each type of Customer.

At the order we ask to indicate and specify the correct corresponding Product Code and the required dimensions.

For all the mentioned Products are available, with specific quotation on request, different Thickness - Widths - Lengths and Settings.
